

The **Contract Cleaners H&S Policy & Procedures** software package has been specifically designed to assist Contract Cleaners to comply with their duties under **UK Health & Safety Legislation**. A truly comprehensive solution the **Contract Cleaners Health & Safety Policy & Procedures** package contains almost **130 pages** of information, policies and procedures, which have been written in Plain English by professionally qualified Health and Safety Practitioners. The software includes, but is not limited to:

- General Statement of Health & Safety Policy
- Health & Safety Organisation & Responsibilities
- Health & Safety Arrangements & Requirements
- A wide selection of Health & Safety Procedures
- Risk Assessment Policy & Pro forma's
- Electrical Risks, Fire Safety, Manual Handling
- Display Screen Equipment
- Hazardous Substances (COSHH)
- Welfare facilities, Working at Height
- Customer Care and DDA Policy
- Accident reporting and investigation
- Wide selection of Miscellaneous Forms

Why do I need the software?

The **Contract Cleaners Health & Safety Policy & Procedures** software offers much more than just a Health and Safety policy, it can also help you to:

- Demonstrate your compliance with Health and Safety Legislation
- Lower your insurance premiums
- Reduce the risk of claims for workplace accidents and negligence
- Make your working environment a safer place
- Safeguard the well being of your clients

The **Contract Cleaners Health & Safety Policy & Procedures** software therefore offers a highly cost effective solution to the management of health and safety for contract cleaners.

Key Features Include:

- Complete Health & Safety solution written by experienced safety professionals
- Easy to use graphical interface which requires no special training or knowledge to use
- Operates within the familiar Microsoft Office environment
- Fully customisable documents which can be added to and amended, to reflect changes in legislation and your company's practices

Who is the software for?

Quite simply anyone who employs 5 or more people must have a **written Health and Safety Policy**, which addresses all of the key risks and hazards present in the work undertaken. The **Contract Cleaners H&S Policy & Procedures** software package has been specifically designed for this purpose and unlike many health and safety policies, it is aimed specifically at those organisations undertaking contract and industrial cleaning works. It is therefore suitable for:

- Contract Cleaners & Window Cleaners
- Industrial cleaning organisations
- Caretaker and domestic maintenance organisations
- In fact any cleaning based organisation will benefit from purchasing this package!

This is probably the most comprehensive Health and Safety Policy package available specifically for Contract Cleaners.
