

The **Hairdressing & Beauty Salon Health & Safety Policy & Procedures** software package has been specifically designed to assist Barbers, Hairdressers and Beauty Salons to comply with their duties under **UK Health & Safety Legislation**. A truly comprehensive solution the **Hairdressing & Beauty Salon Health & Safety Policy & Procedures** package contains **110 pages** of information, policies and procedures, which have been written in Plain English by professionally qualified Health and Safety Practitioners. The policy includes, but is not limited to:

- General Statement of Health & Safety Policy
- Health & Safety Organisation & Responsibilities
- Health & Safety Arrangements & Procedures
- Electrical Safety, Fire Safety, Manual Handling
- Display Screen Equipment
- Hazardous Substances (COSHH) & dermatitis
- Welfare facilities, Fire Safety
- Customer Care and DDA Policy
- Accident reporting and investigation
- Wide selection of Miscellaneous Forms

Why do I need the software?

The **Hairdressing & Beauty Salon Health & Safety Policy & Procedures** package offers much more than just a Health and Safety policy, it can also help you to:

- Demonstrate your compliance with Health and Safety Legislation
- Lower your insurance premiums
- Reduce the risk of claims for workplace accidents and negligence by members of staff, customers and members of the public
- Make your working environment a safer place
- Safeguard the well being of your customers

The **Hairdressing & Beauty Salon Health & Safety Policy & Procedures** software therefore offers a highly cost effective solution to the management of health and safety within any hairdressing and/or beauty salon.

Key Features Include:

- Complete Health & Safety solution written by experienced safety professionals
- Easy to use graphical interface which requires no special training or knowledge to use
- Operates within the familiar Microsoft Office environment
- Fully customisable documents which can be added to and amended, to reflect changes in legislation and your company's practices

Who is the software for?

Quite simply any salon with 5 or more people must have a **written Health and Safety Policy**, which addresses all of the key risks and hazards present in the workplace. The **Hairdressing & Beauty Salon Health & Safety Policy & Procedures** software package has been specifically designed for this purpose and unlike many health and safety policies; it is aimed specifically at hairdressing and beauty salons. It is therefore suitable for:

- Hairdressing and beauty salons
- Barbers
- Self employed hairdressers
- Mobile hairdressers
- In fact any leisure or hairdressing establishment will benefit from purchasing this package!

This is probably the most comprehensive Health and Safety Policy package available specifically for Barbers, Hairdressing and Beauty Salons.
