- Display Screen Equipment
- Hazardous Substances (COSHH)
- Welfare facilities, Working at Height
- Customer Care and DDA Policy
- Accident reporting and investigation
- Wide selection of Miscellaneous Forms

Why do I need the software?

The **Hotel and Residential Organisations H&S Policy & Procedures** software offers much more than just a Health and Safety policy, it can also help you to:

- Demonstrate your compliance with Health and Safety Legislation
- Lower your insurance premiums
- Reduce the risk of claims for workplace accidents and negligence by members of staff, residents and members of the public
- Make your working environment a safer place
- Safeguard the well being of your customers

The **Hotel and Residential Organisations H&S Policy & Procedures** software therefore offers a highly cost effective solution to the management of health and safety within many different types of Residential establishments.

Key Features Include:

- Complete Health & Safety solution written by experienced safety professionals
- Easy to use graphical interface which requires no special training or knowledge to use
- Operates within the familiar Microsoft Office environment
- Fully customisable documents which can be added to and amended, to reflect changes in legislation and your company's practices

Who is the software for?

Quite simply anyone who employs 5 or more people must have a **written Health and Safety Policy**, which addresses all of the key risks and hazards present in the workplace. The **Hotel and Residential Organisations H&S Policy & Procedures** software package has been specifically designed for this purpose and unlike many health and safety policies; it is aimed specifically at residential establishments. It is therefore suitable for:

- Hotels, hostels, spa's and guest houses
- Residential and care homes
- Restaurants, takeaways and bars
- Country clubs, fitness centres, night clubs and leisure centres
- In fact any leisure or residential establishment will benefit from purchasing this package!

This is probably the most comprehensive Health and Safety Policy package available specifically for Residential establishments.
