

The **Retail H&S Policy & Procedures** software package has been specifically designed to assist Shops and Retail organisations to comply with their duties under **UK Health & Safety Legislation**. A truly comprehensive solution the **Retail Health & Safety Policy & Procedures** package contains over **100 pages** of information, policies and procedures, which have been written in Plain English by professionally qualified Health and Safety Practitioners. The software includes, but is not limited to:

- General Statement of Health & Safety Policy
- Health & Safety Organisation & Responsibilities
- Health & Safety Arrangements & Requirements
- A wide selection of Health & Safety Procedures
- Risk Assessment Policy & Pro forma's
- Electrical Risks, Fire Safety, Manual Handling
- Display Screen Equipment
- Hazardous Substances (COSHH)
- Welfare facilities, Working at Height
- Customer Care and DDA Policy
- Accident reporting and investigation
- Wide selection of Miscellaneous Forms

Why do I need the software?

The **Retail Health & Safety Policy & Procedures** software offers much more than just a Health and Safety policy, it can also help you to:

- Demonstrate your compliance with Health and Safety Legislation
- Lower your insurance premiums
- Reduce the risk of claims for accident and negligence
- Make your working environment a safer place
- Safeguard the well being of your customers

The **Retail Health & Safety Policy & Procedures** software therefore offers companies a highly cost effective solution to the management of health and safety.

Key Features Include:

- Complete Health & Safety solution written by experienced safety professionals
- Easy to use graphical interface which requires no special training or knowledge to use
- Operates within the familiar Microsoft Office environment
- Fully customisable documents which can be added to and amended, to reflect changes in legislation and your company's practices

Who is the software for?

Quite simply anyone who employs 5 or more people must have a **written Health and Safety Policy**, which addresses all of the key risks and hazards present in the work undertaken. The **Retail H&S Policy & Procedures** software package has been specifically designed for this purpose and is aimed at everyone from the self employed shop owners to multi-national chains such as:

- Corner shops, DIY stores, newsagents
- Craft shops, market stalls, clothes shops
- In fact any retail organisation or shop will benefit from purchasing this package!

This is probably the most comprehensive Health and Safety Policy package available specifically for Shops and Retail organisations.
